PETITION UNDER 37 CFR § 1.59(b) TO EXPUNGE INFORMATION

SIR:

Applicant hereby petitions under 37 CFR § 1.59(b) to expunge the Form 1449 information matched with the application on December 11, 2006. The information is currently listed in the Electronic File Wrapper with the date "12-11-2006" and the label "List of References cited by applicant and considered by examiner". A copy of the information sought to be expunged is attached.

The information for which expungement is sought is part of an Information Disclosure Statement submitted by Applicants for a different and unrelated case: U.S. Application Serial No. 10/604,214. Specifically, the information for which expungement is sought corresponds to pages 2-4 of a four-page Form 1449 accompanying the August 25, 2006 Information Disclosure Statement for U.S. Application Serial No. 10/604,214. Thus, it is important to note that the information for which expungement is sought was not submitted by Applicants for the instant case.

Due to Applicants' inadvertent error, the header on the pages 2-4 of the Form 1449 mistakenly listed the instant case's Attorney docket number, serial number, Applicant name, and filing date. Apparently as a result of that inadvertent error, the mistakenly labeled pages were transferred by Office personnel from the file of Serial No. 10/604,214 to the file of the instant case. The Examiner in the instant case then considered the transferred Form 1449 pages, initialing some references and crossing out others, and he issued a Supplemental Notice of Allowance.

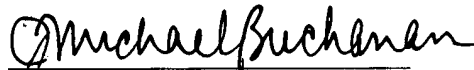

Applicants wish to expunge the mistakenly transferred Form 1449 pages in order to avoid listing irrelevant examiner-initialed references on the face of the patent that will soon issue from the instant application.

The fee required by 37 CFR § 1.17(h) of \$130.00 may be charged to Deposit Account 06-1130 maintained by Cantor Colburn LLP. If additional charges are incurred with respect to this Petition or otherwise, they may be charged to Deposit Account 06-1130 maintained by Cantor Colburn LLP.

Respectfully submitted,

CANTOR COLBURN LLP
